

Prayer to
Blessed Louis-Zéphirin Moreau
in this time of pandemic

*Blessed Louis-Zéphirin Moreau,
in this pandemic time, we look to you.*

You often said:

*" My supreme happiness is to share widely
with those who are dear to me,
and especially with the most needy and poor."*

With you, we want to turn to them.

*In these times when contagion afflicts our humanity,
and forces us to containment,
teach us to take care of each other, in a new way.*

*Inspire our faith and our Christian charity
so that we manifest to our beloved brothers and sisters
our closeness by the support of our prayer
and the possible gestures of our day.*

*Through your intercession, may the Lord,
in his immense tenderness, deliver us from all evil.
May he give us bodily health, peace of heart and soul!
By your prayer,
may the Immaculate Heart of Mary intercede for us.*

(silence)

*May the Holy Spirit open us to the Word of God.
Let him help us discover, for today,
the motto of our Blessed Bishop Moreau:
" I can do everything in him who strengthens me " (Phil 4:13).
Amen!*
